“ We will miss you dearly my sweet aunt Jay. Though, I know your soul is rejoicing and dancing some fancy dance as you are finally home. Your love and unconditional friendship will always be cherished as I would consider you the grandmother I never had... you were so much to our family. Thank you for all the fun times, sweet lady who always brought a smile to our faces, mostly a good giggle... see you again. Xoxox Donna Saladino Scroggins

“ For the past few years I have visited Ms. Jeanette every week. I took her communion and we prayed and then talked. She was always so happy to see me and enjoyed the prayers and gospel readings. She was a very special person who loved her family very much. I loved her feistiness and zest for life. We laughed together and often shared our family stories. I feel as though I've known her all my life. I will miss her very much but she will always have a place in my heart. May the Blessed Mother keep her close and lead her to our Lord to live in his light and love forever. My thoughts and prayers of comfort go out to her lovely family. God bless. Pat Jones
